1. Introduction

- Kingfisher, as the name suggests, is an agile, flexible, aesthetic and customizable theme that can fuel the website.
- Its specialty lies in its neat and clean finish, simple navigation yet attractive layout.
- This theme offers three level mega menu, customizable product list and many more attractive features to create a professional and highly robust website.

2. Home Page

2.1 Mega Menu

- Mega Menu is dynamic menu. You can add product category to it.
- A Mega Menu is used to show selected product categories to navigation so it will create great navigation experience for a user.
- User can manage upto Three level navigation in mega menu.

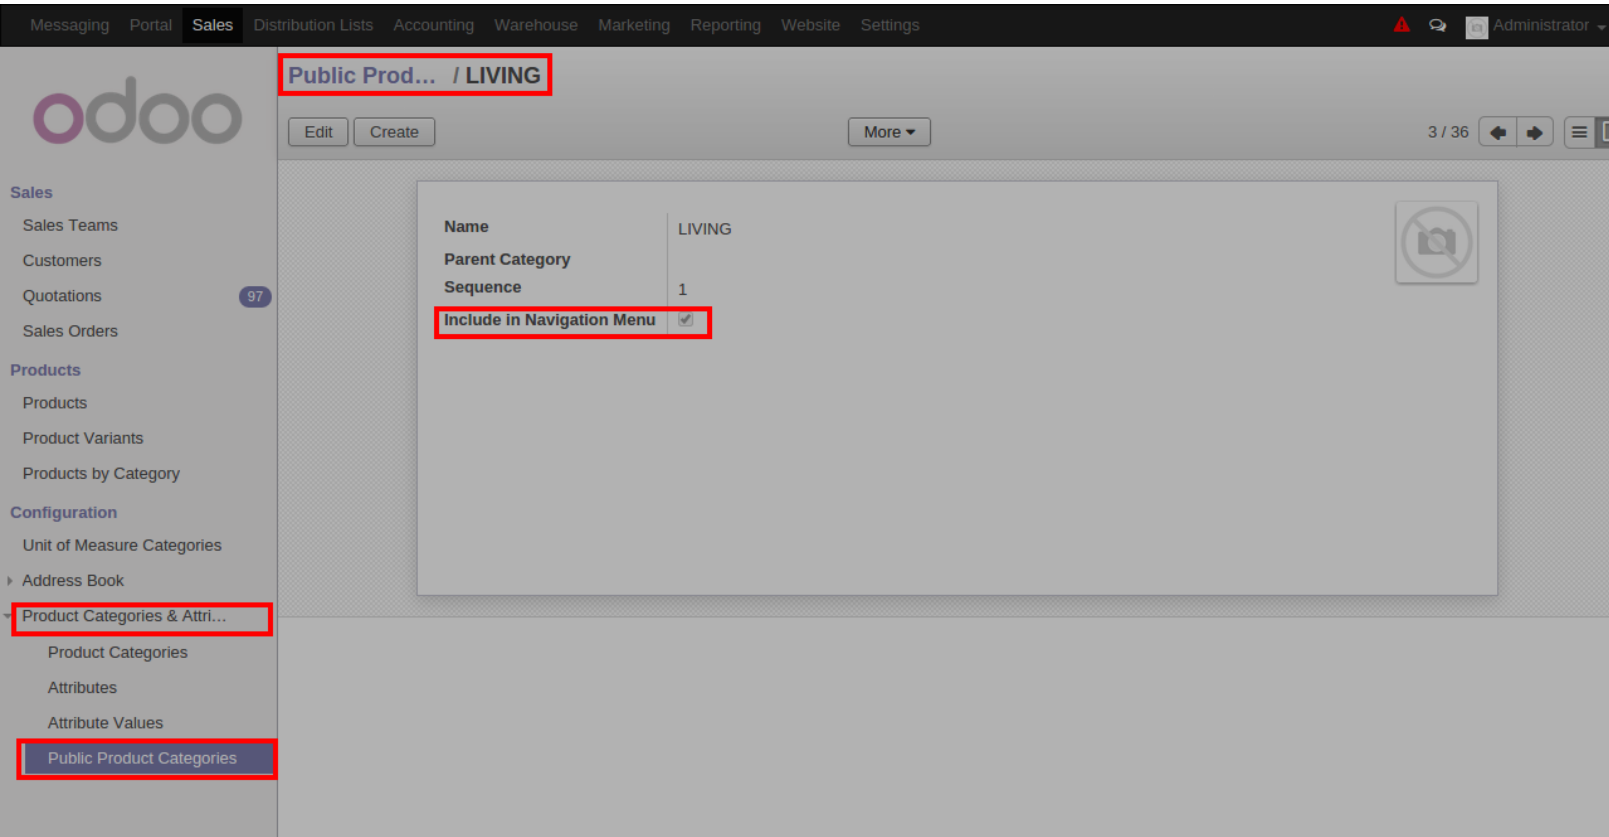

The screenshot shows the Kingfisher website interface. At the top, there is a navigation bar with 'Website' and 'Edit' buttons on the left, and 'Promote', 'Content', 'Customize', and 'Help' on the right. Below this is a 'MY ACCOUNT' section with 'Welcome Administrator' and 'LOGOUT' options, along with a shopping cart icon showing '0' items. The main header features the Kingfisher logo with the tagline 'accurate, agile & aesthetic' and a search bar. The primary navigation menu includes 'HOME', 'SHOP', 'LIVING', 'DINING', 'BEDROOM', 'STORAGE', 'KIDS', 'BUILDING BLOCKS', and 'CONTACT US'. The 'LIVING' menu is expanded into a mega menu with four columns: 'SOFAS', 'CHAIRS', 'TABLES', and 'STORAGE'. Each column lists various furniture items like 'Fabric Sofas', 'Wing Chairs', 'Coffee Tables', 'TV Unit', etc. The background of the mega menu is a blurred image of wooden furniture.

NEW ARRIVALS

Add Product Category in “Mega Menu” Header section

- Click on **Public Product Categories tab** from admin product module and set the checkbox **Include in Navigation Menu** as true.
- Selecting it will display those Product Categories in Mega Menu section as shown above.
- You can add sub product category up to 3 levels for e.g. Product Main Category -> First Child Category -> Second Child Category.

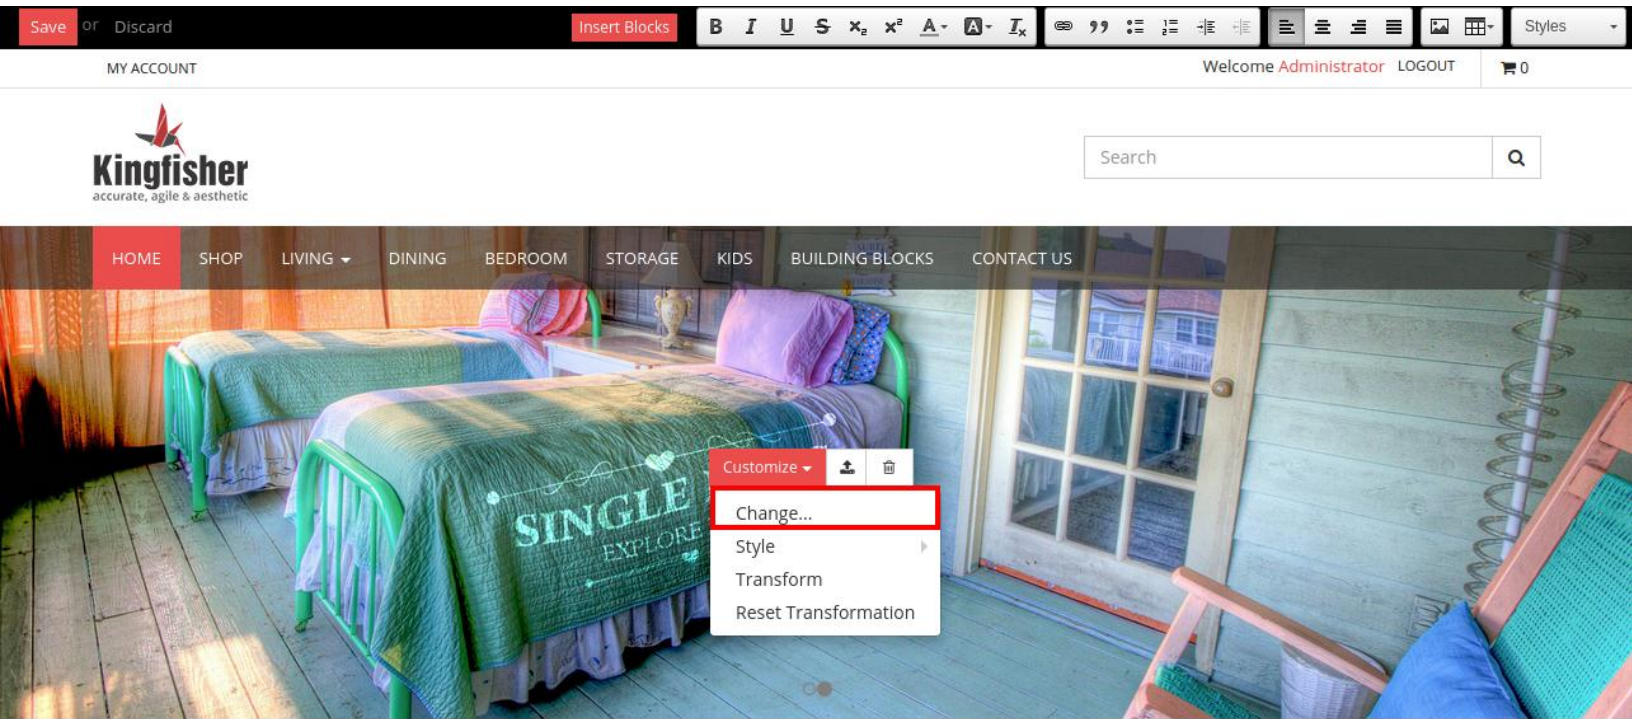

The screenshot shows the Odoo Admin interface. The top navigation bar includes Messaging, Portal, Sales, Distribution Lists, Accounting, Warehouse, Marketing, Reporting, Website, and Settings. The user is logged in as Administrator. The main content area displays the configuration for a Public Product Category named "LIVING". The configuration table is as follows:

Name	LIVING
Parent Category	
Sequence	1
Include in Navigation Menu	<input checked="" type="checkbox"/>

The left sidebar shows the navigation menu with the following sections:

- Sales
 - Sales Teams
 - Customers
 - Quotations (97)
 - Sales Orders
- Products
 - Products
 - Product Variants
 - Products by Category
- Configuration
 - Unit of Measure Categories
 - Address Book
 - Product Categories & Attributes (highlighted)
 - Product Categories
 - Attributes
 - Attribute Values
 - Public Product Categories (highlighted)

2.2 Home Page Slider Image Update

NEW ARRIVALS

Add / Update Image in "Homepage Slider".

- You can change images and other settings by clicking **Edit** button.
- **Select** the slider image and a pop up will appear. In **Customize** tab click on **Change** which will open view like in below screenshot.
- Select the image you want to set in slider. Click on **Save** button.
- You have to again **Save** your final changes.

2.5 Customer/Sponsor Logos

The screenshot shows the Odoo CRM interface for a customer named 'CITI'. The 'Customers / CITI' record is displayed, with the 'Brand' checkbox checked and highlighted by a red box. The interface includes a sidebar with navigation options like Sales, Products, and Configuration, and a main content area with fields for Address, Website, and Job Position. The 'Brand' checkbox is located under the 'Website' section.

Add Customer in "Our Brands" Home page section

- Set the checkbox **Brand** as true in Customer View from admin customer module.
- Selecting it will display those customers in Our Brands section as shown in below screenshot.

Our Brands

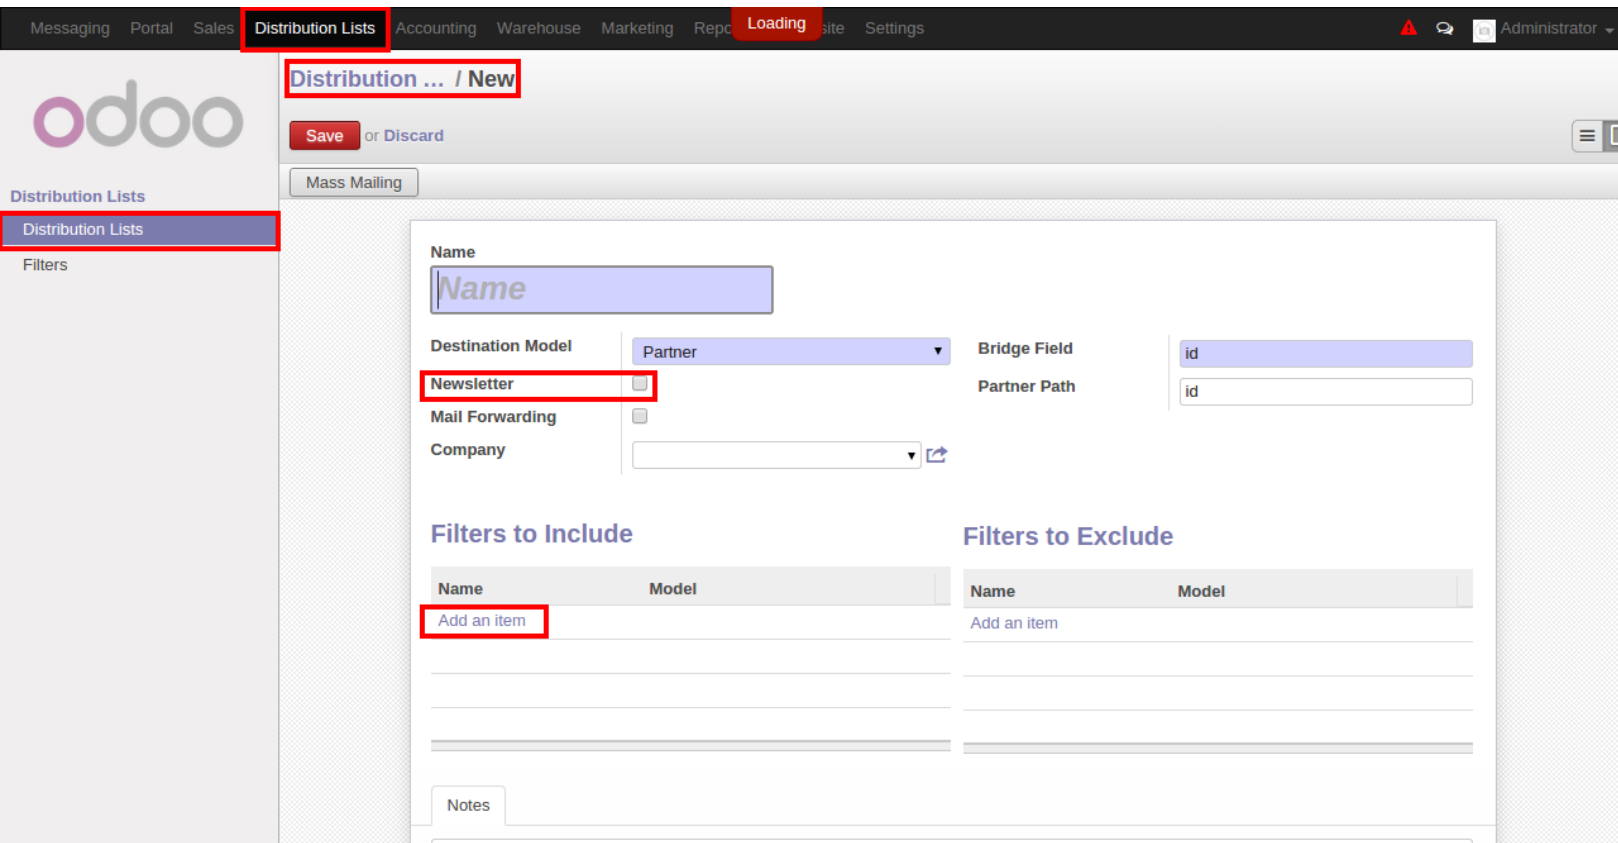

2.6 Newsletter

For newsletter feature first you need to create **Distribution List**.

Steps to Create Distribution List

- Click on Create in distribution list.
- Set **Newsletter** option as selected.
- Click on **Add an Item** in **Filters to Include** panel to add subscriber.

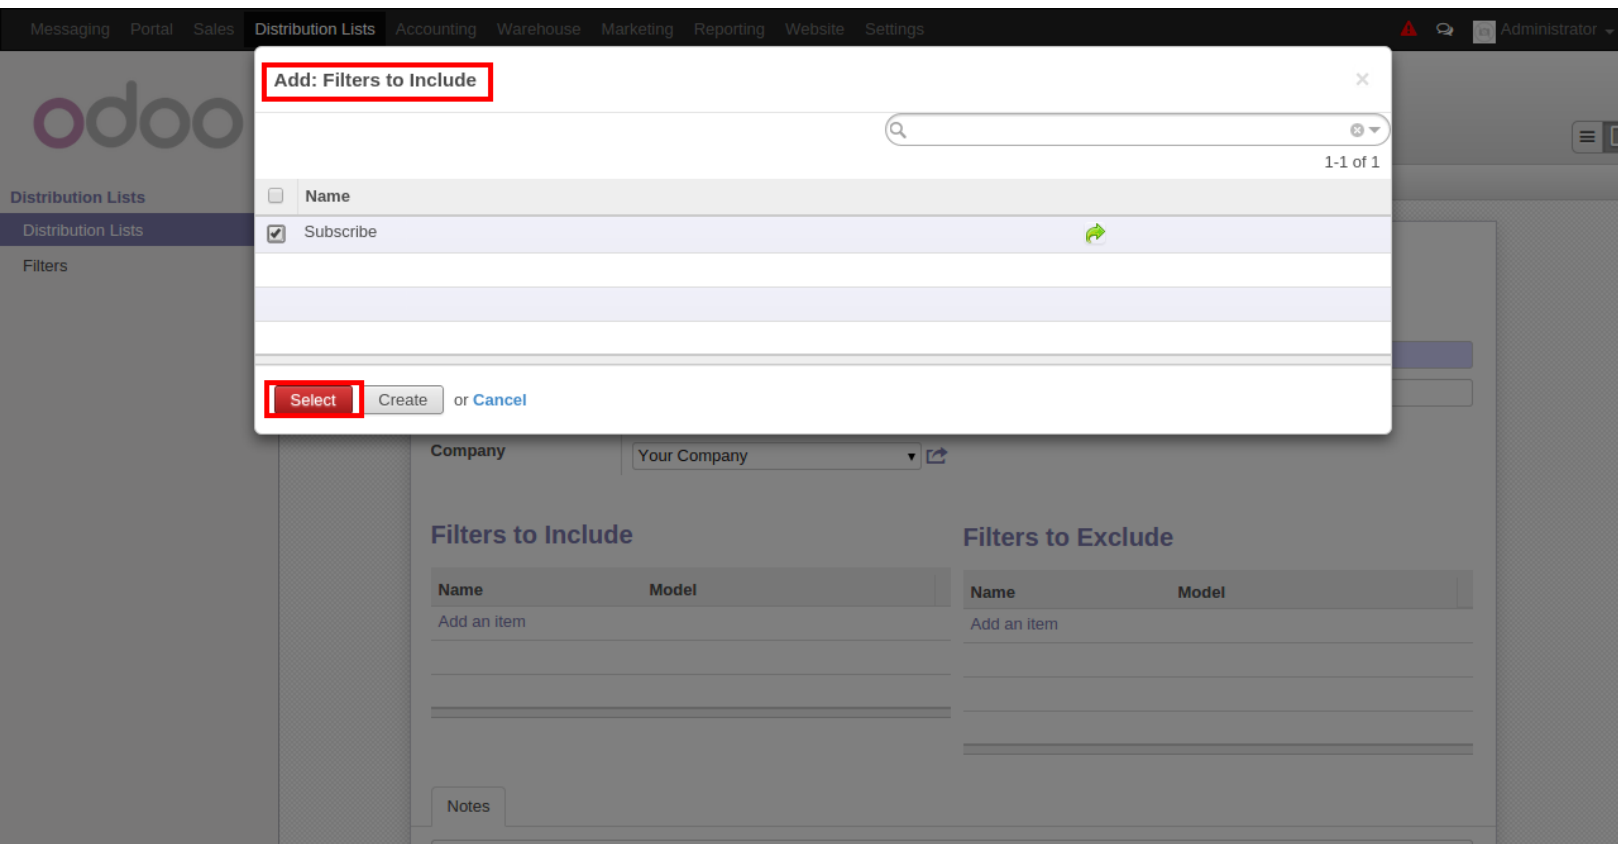

The screenshot shows the Odoo web interface for creating a new Distribution List. The top navigation bar includes 'Messaging', 'Portal', 'Sales', 'Distribution Lists', 'Accounting', 'Warehouse', 'Marketing', 'Reporting', 'Loading', 'Site', and 'Settings'. The 'Distribution Lists' menu item is highlighted. Below the navigation bar, the page title is 'Distribution ... / New'. There are 'Save' and 'Discard' buttons. A 'Mass Mailing' button is also visible. The main form area contains the following fields:

- Name:** A text input field with the placeholder 'Name'.
- Destination Model:** A dropdown menu currently set to 'Partner'.
- Bridge Field:** A text input field with the value 'id'.
- Partner Path:** A text input field with the value 'id'.
- Newsletter:** A checkbox that is checked and highlighted with a red box.
- Mail Forwarding:** An unchecked checkbox.
- Company:** A dropdown menu with a search icon.

Below the form, there are two panels: 'Filters to Include' and 'Filters to Exclude'. Each panel has a table with columns 'Name' and 'Model'. In the 'Filters to Include' table, there is a red box around the 'Add an item' button. The 'Filters to Exclude' table also has an 'Add an item' button. At the bottom, there is a 'Notes' section.

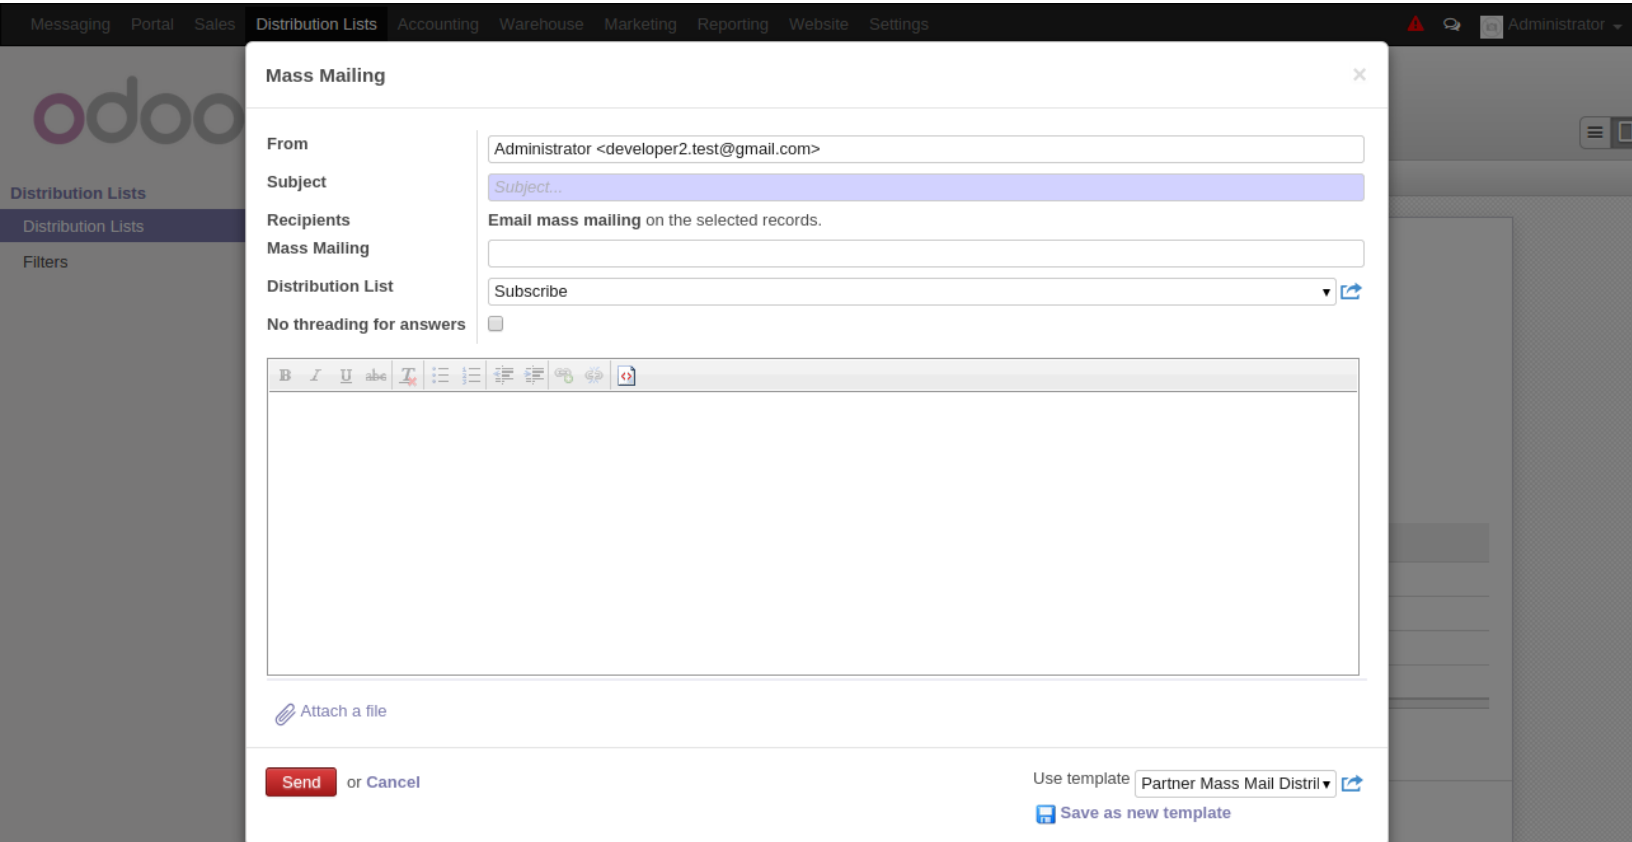

- It will display list of filters, set **Subscribe** checkbox as selected.
- Click **Select** and **Save** your settings for distribution list.

The screenshot shows the Odoo web interface. A modal dialog titled "Add: Filters to Include" is open. The dialog has a search bar at the top right and a table below it. The table has one row with the checkbox "Subscribe" checked. At the bottom of the dialog, there are three buttons: "Select" (highlighted with a red box), "Create", and "or Cancel".

<input type="checkbox"/>	Name
<input checked="" type="checkbox"/>	Subscribe

- You can send mail to subscriber list by clicking on **Mass Mailing** button in Distribution List.
- You can select Distribution List by selecting from options available in drop-down menu.
- Click on **Send** button to send mail to all subscribers.
- Mass Mailing view is shown as below.

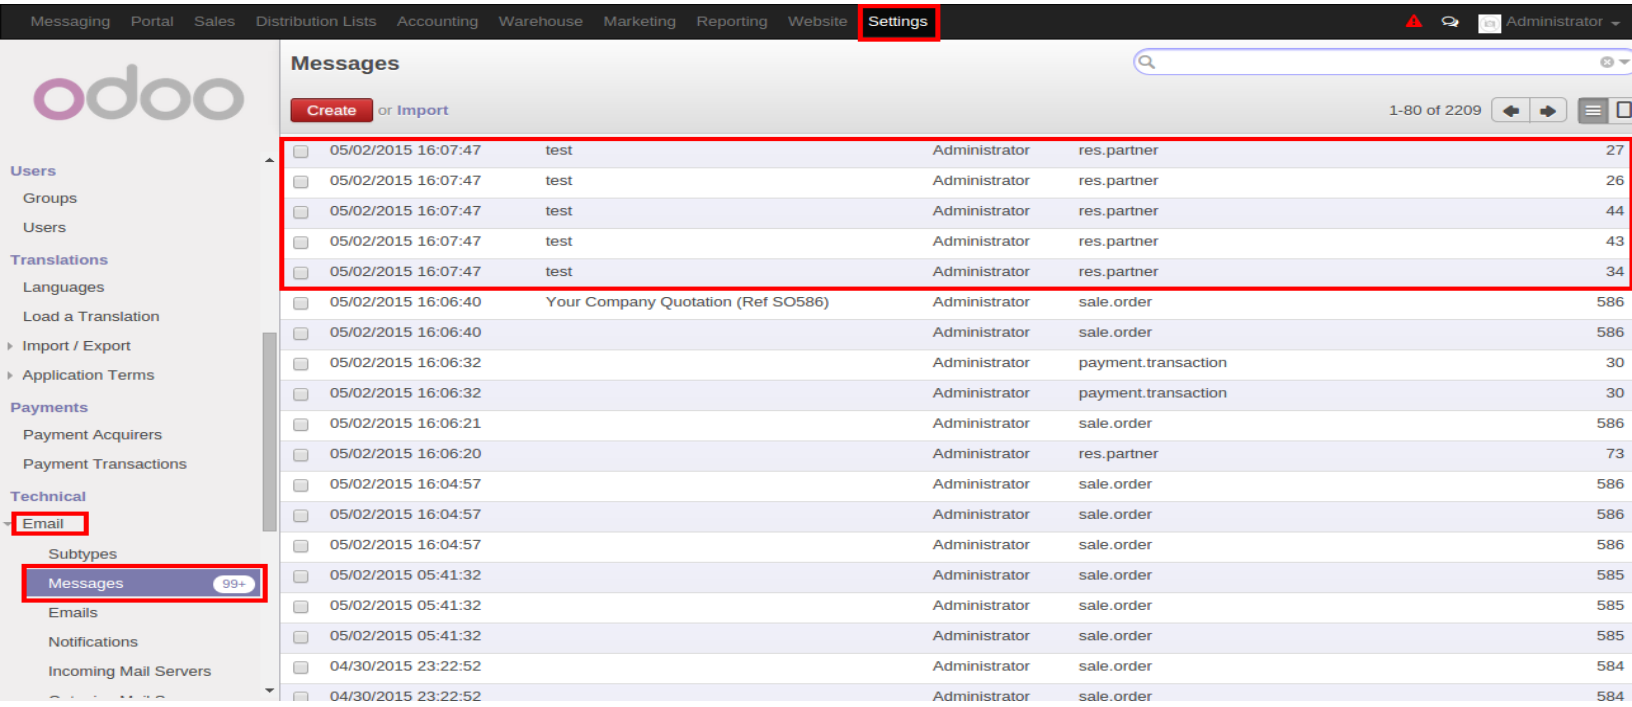

The screenshot shows the Odoo Mass Mailing interface. The top navigation bar includes Messaging, Portal, Sales, Distribution Lists, Accounting, Warehouse, Marketing, Reporting, Website, and Settings. The left sidebar shows the Distribution Lists menu. The main window is titled "Mass Mailing" and contains the following fields and options:

- From:** Administrator <developer2.test@gmail.com>
- Subject:** Subject...
- Recipients:** Email mass mailing on the selected records.
- Mass Mailing:** (Empty text field)
- Distribution List:** Subscribe (with a dropdown arrow and a refresh icon)
- No threading for answers:** (Checked checkbox)

Below the fields is a rich text editor with a toolbar containing icons for Bold, Italic, Underline, Text Color, Background Color, Bulleted List, Numbered List, Indent, Outdent, Link, and Unlink. Below the editor is an "Attach a file" button. At the bottom, there is a "Send" button (highlighted in red) and a "Cancel" button. On the right side, there is a "Use template" dropdown menu set to "Partner Mass Mail Distri" and a "Save as new template" button.

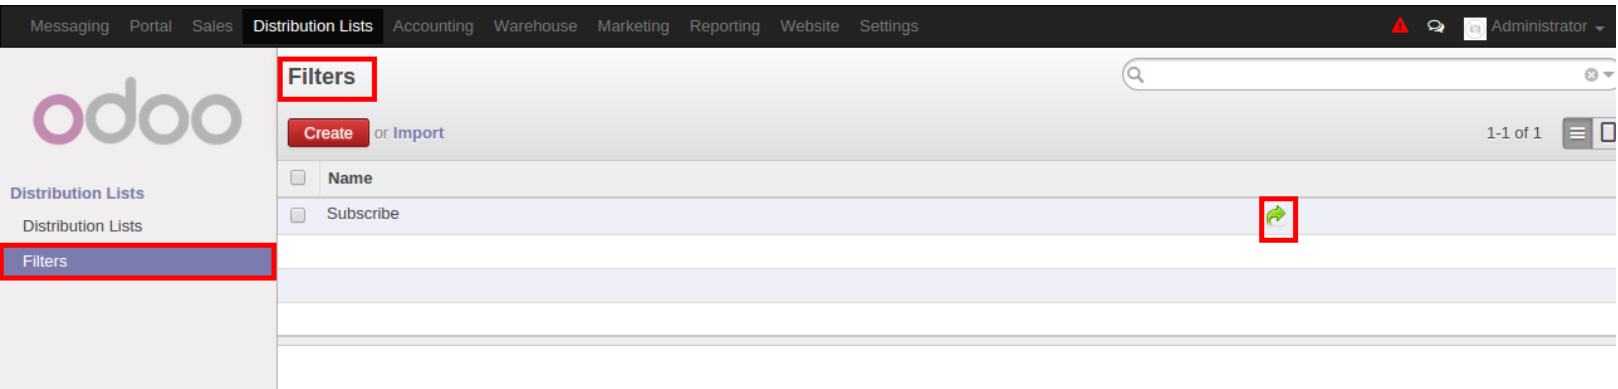

- You can view all message send to subscribers as below in Message View of Email Module in Setting.

The screenshot shows the Odoo Settings interface. The top navigation bar includes 'Messaging', 'Portal', 'Sales', 'Distribution Lists', 'Accounting', 'Warehouse', 'Marketing', 'Reporting', 'Website', and 'Settings' (highlighted with a red box). The left sidebar shows the 'odoo' logo and a menu with categories like 'Users', 'Translations', 'Payments', and 'Technical'. Under 'Technical', 'Email' is highlighted with a red box, and its 'Subtypes' menu is open, with 'Messages' (99+) also highlighted with a red box. The main content area is titled 'Messages' and displays a table of message records. The table has columns for checkboxes, date/time, subject, sender, recipient, and a count. A red box highlights the first five rows of the table, which all have a subject of 'test' and a recipient of 'res.partner'.

Checkbox	Date/Time	Subject	Sender	Recipient	Count
<input type="checkbox"/>	05/02/2015 16:07:47	test	Administrator	res.partner	27
